Sir,

I have the honor to state that during the inspection of the District Treasury at Chikmagalur, and the Kadur Taluk Treasury, I noticed that the treasure rooms were full of sealed boxes of different sorts and sizes containing jewellery, &c, belonging to private persons, who deposited them for safe custody when they evacuated the towns of Chikmagalur, Kadur and Birur, owing to the prevalence of plague in those places.— At Chitaldrug, I had made it a rule not to receive such property for custody, unless it was

The Plague Rule 7 quoted by the Secretary does not seem to authorize the deposit in Treasuries of the properties of persons who have to evacuate their houses during the prevalence of plague. The rule makes mention of the Taluk Cutcherry and Police station and private houses specially obtained for the purpose and specially guarded.

It seems desirable to direct that the Treasuries should not be encumbered with such properties. The Ld Councillor's views may be obtained in the matter.
